Southeastern District of Mississippi.

I AM johnson, mark-Christopher of Virginia  
union state. A British Foreign Agent  
(BAR 100331) HARRIS F. POWERS III has  
elected to use my name in a fraudulent manner.  
hired by Penny Mac to Harm me. Penny Mac  
is a Debt Collector and Bank operating out of  
and headquartered in Los Angeles, California  
A rogue and un-constitutional so-called

the President of the United States of America,  
The Honorable Donald J. Trump.

(In) with full understanding and knowledge  
MR. HFP III (100331) has received proof that  
this case is being, will be decided and entered  
in before The Honorable Court: The United  
States District Court Eastern Division at  
Richmond, Virginia. City of my birth.

He has no right in law to Request the  
dismissal of any lawful matter. He has no first

pitting the Court of Virginia against the Court  
of Mississippi.

This matter must be decided in Virginia  
where I live and have shelter and not in the  
good state of Mississippi; for I have never set  
foot on her gracious soil.
